

How to access my Level Test

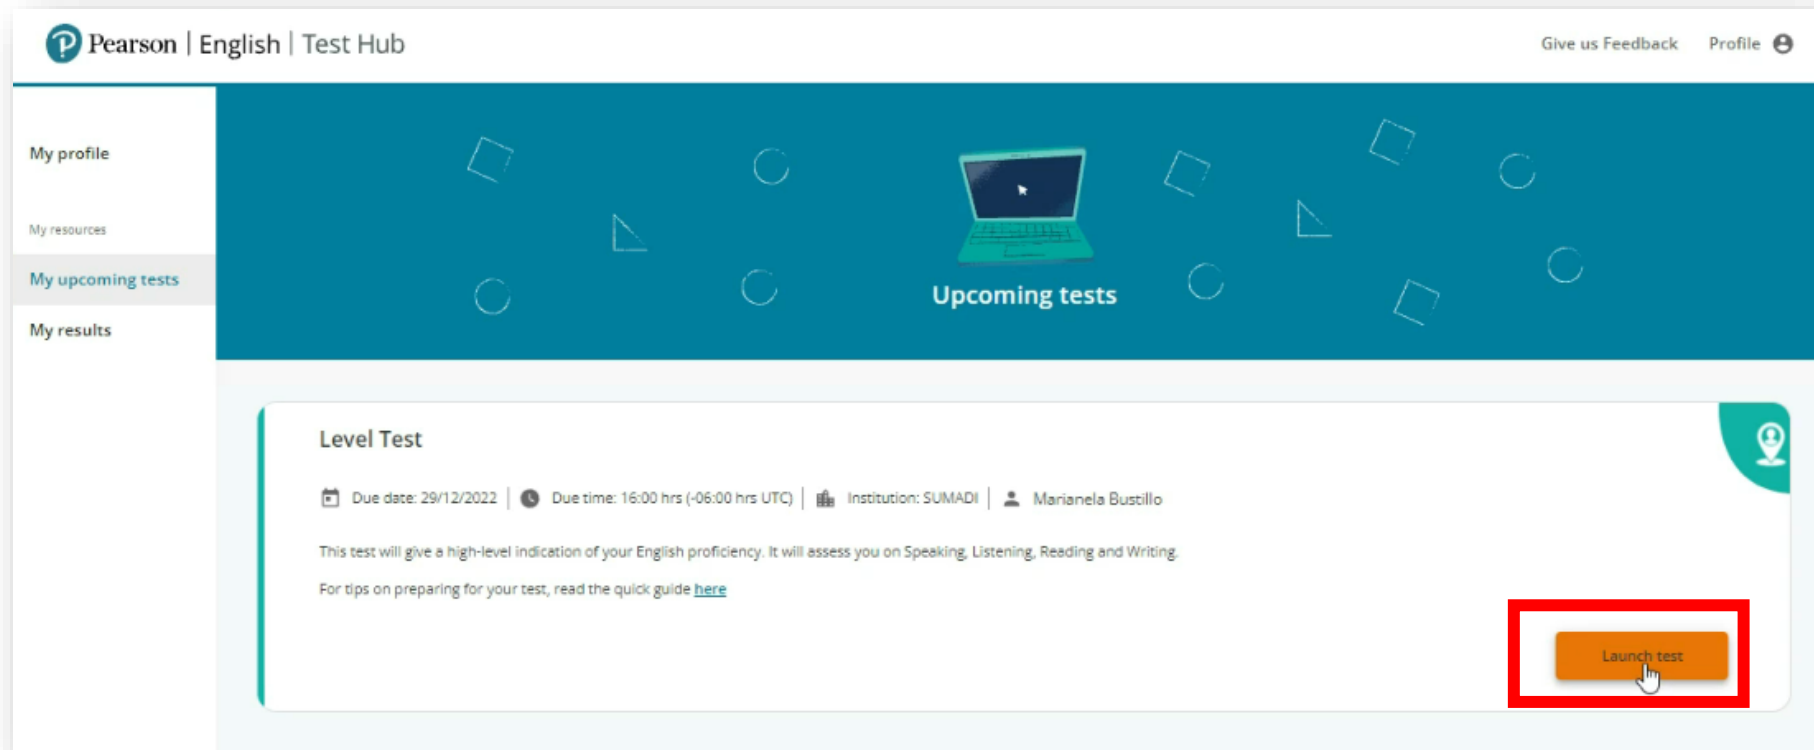

- 1 After you have entered your Institution ID and configured the language, camera, and microphone, SUMADI™ will restart and the following screen will appear where you must enter your Pearson profile credentials (*username and password*).

A screenshot of the Pearson Sign in interface. The background is dark teal with the Pearson logo and text: "Pearson | English | Test Hub" and "Bringing teachers, tests and test-takers together". A white sign-in form is centered, with a red rectangle highlighting the "Username" and "Password" input fields. The form includes a "Show" button for the password, a "Forgot your username or password?" link, a yellow "Sign in" button, and a "Create an account" button at the bottom. A language selector in the top right shows "English".

- 2 You will immediately be redirected to the **“My profile”** section on the Pearson platform, where you must select the **“My upcoming tests”** tab.

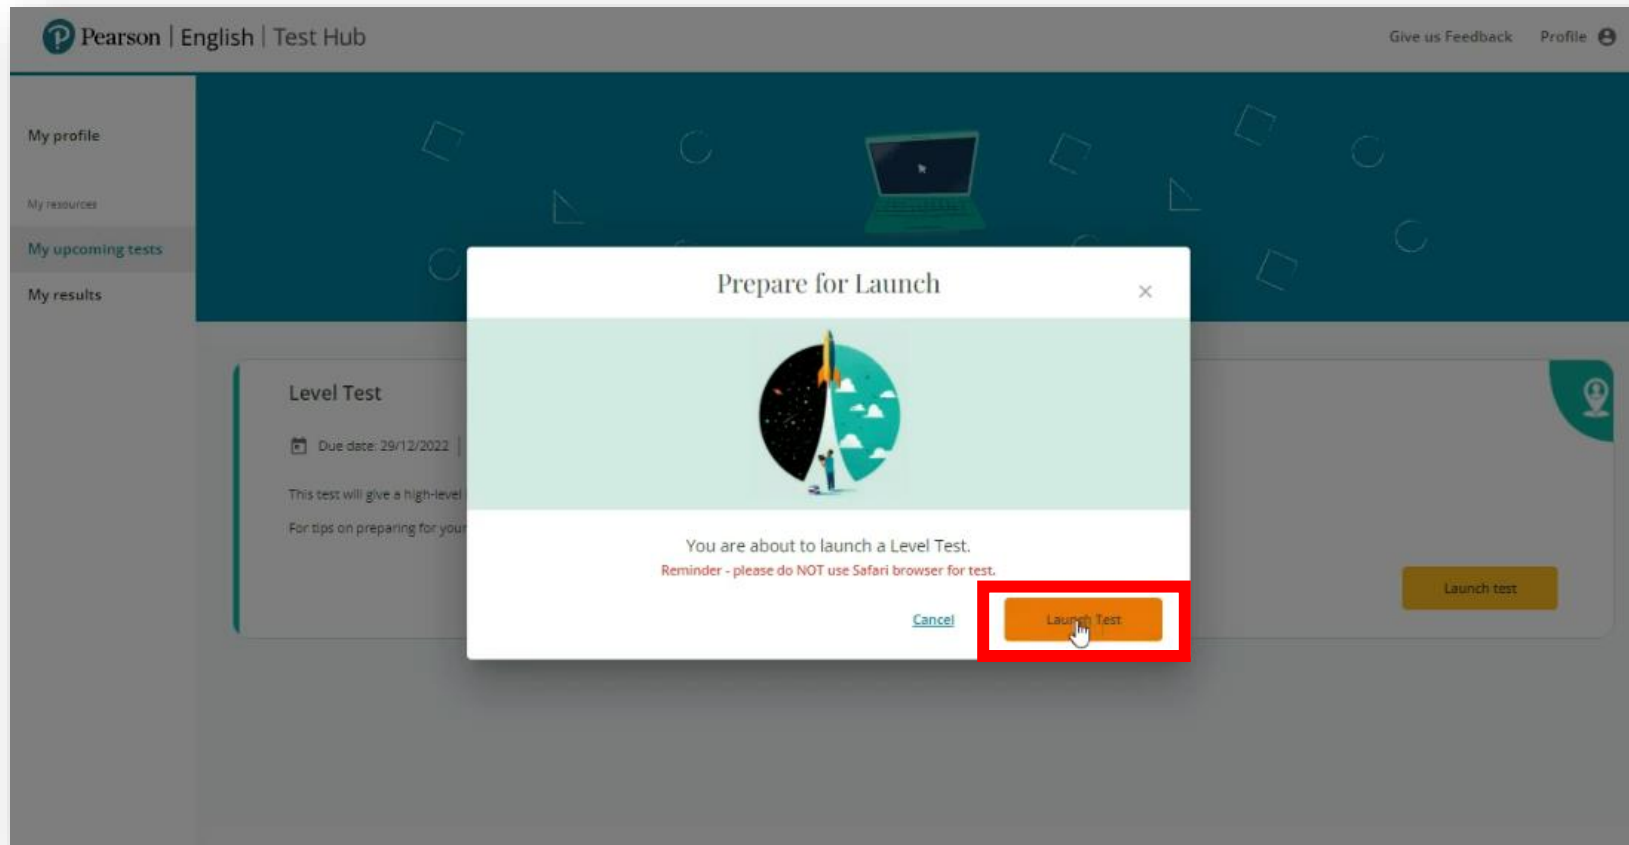

- 3 In this section you can view your upcoming tests. Then, find the **Level Test** and click on the **“Launch Test”** button.

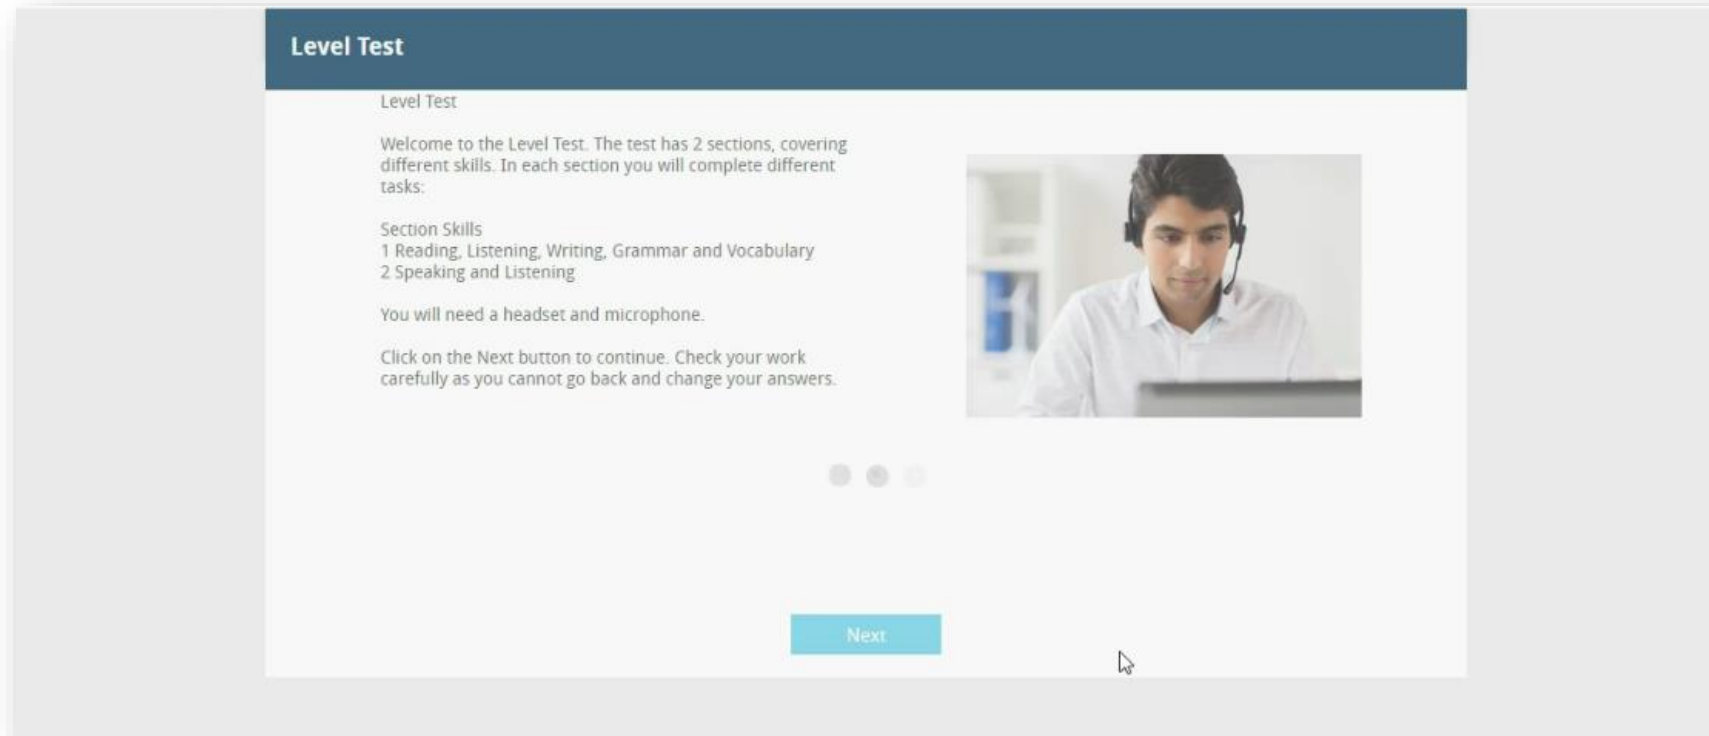

The screenshot displays the Pearson English Test Hub interface. At the top, the Pearson logo and 'English | Test Hub' are visible on the left, and 'Give us Feedback' and 'Profile' are on the right. A left-hand navigation menu includes 'My profile', 'My resources', 'My upcoming tests' (which is highlighted), and 'My results'. The main content area features a teal header with a laptop icon and the text 'Upcoming tests'. Below this, a card titled 'Level Test' provides details: 'Due date: 29/12/2022', 'Due time: 16:00 hrs (-06:00 hrs UTC)', 'Institution: SUMADI', and 'Mariana Bustillo'. A description states: 'This test will give a high-level indication of your English proficiency. It will assess you on Speaking, Listening, Reading and Writing. For tips on preparing for your test, read the quick guide [here](#)'. A red rectangular box highlights the 'Launch test' button in the bottom right corner of the card.

Note: In the **“Level Test”** section you will be able to see the due date and time to take your exam.

- 4 When a window appears prompting you to prepare for launch, click the “**Launch Test**” button again.

- 5 You will see the following screen for a few seconds, while it redirects you to the SUMADI™ registration and authentication process.

Once you complete your registration and authentication process in SUMADI™, you will be able to start your test.
