

# Opening the SUMADI App - Cambridge One

Before starting SUMADI™, you must ensure that all programs and/or windows on the testing computer MUST be closed prior to logging into the proctored test environment and must remain closed until the test is completed.

**Note:** To install SUMADI on your computer, you can see the steps in the *“Install SUMADI”* guide corresponding to your operative system.

- 1 The first time you open the SUMADI™ application, the SUMADI™ app home page will open, where you must place the institution ID that was assigned to you.

**Note:** Make sure not to select a default microphone and virtual microphones, these are not supported by the SUMADI™ application.

6 Once all the data is correct, you must click the “**Submit**” button to enter.

By clicking this button, SUMADI™ will automatically restart and will open the Cambridge One interface.

The screenshot displays the 'Welcome' screen of the SUMADI™ interface. At the top center, the word 'Welcome' is written in a large, bold, black font. Below this, there are four configuration sections arranged in a 2x2 grid:

- INSTITUTION ID:** A text input field containing five dashes (-----).
- CAMERA:** A dropdown menu with 'Select Camera' and a downward arrow.
- LANGUAGE:** A dropdown menu with 'English' and a downward arrow.
- MICROPHONE:** A dropdown menu with 'Select Microphone' and a downward arrow, and a microphone icon next to an empty text input field.

To the right of these settings is a black rectangular area representing a camera feed. It features a white hexagonal icon with a stylized 'S' in the top-left corner and a red circular indicator in the bottom-left corner.

Below the configuration sections is a light purple rounded rectangular box containing the following text: 'NOTE: When submitting any Setting the Sumadi program will restart and you will be required to login in again and start over.'

At the bottom center, there is a large, rounded rectangular button with a teal-to-blue gradient and the word 'SUBMIT' in white capital letters. This button is highlighted with a thick red border.
